

Poultry Tester School Schedule for 2015

The Oklahoma Department of Agriculture, Food & Forestry, Animal Industry Services, will host two poultry tester schools this year.

These classes are for persons 16 years of age and older that wish to test poultry for Pullorum/Typhoid for National Poultry Improvement Plan participation and to enter poultry shows and/or fairs.

As usual, the class fee is \$5.00 and the tester's certificate is \$30.00 for a three-year certificate. Please **write a check for \$35.00 or have exact change** when you come to the class as there will be no cashier at these schools.

There will be an application form at the class for you to complete, sign and date.

New students will need to bring two of your own birds with you to practice the test procedure.

Certified poultry testers that do not attend one of these classes to renew their certificate will be notified in early July that their certification has expired.

No supplies will be provided at these classes; however, Supply Order Forms will be available.

If you have any questions, please call Sherrie Davis at 405-522-6139.
