

Poultry Tester Class Schedule for 2020

---4-17-2020 ALL CLASSES CANCELED DUE TO COVID 19 RESTRICTIONS---

The Oklahoma Department of Agriculture, Food & Forestry, Animal Industry Services, will host five poultry tester classes this year. **(Details on the back)**

The classes are for individuals 16 years of age and older that wish to test poultry for Pullorum/Typhoid for National Poultry Improvement Plan participation and to enter poultry shows and/or fairs. Again this year, we are certifying testers to be able to process Avian Influenza Swabs and how to submit them to the appropriate lab for testing.

The class fee is \$5.00 and the tester's certificate is \$30.00 for a three-year certificate. Please **write a check for \$35.00 or have exact change** when you come to the class as there will be no cashier at these classes

There will be an application form at the class for you to complete, sign and date.

New students will need to bring two of their own birds 4 month of age or older with them to practice the test procedure, renewing students do NOT need to bring birds.

Please leave your birds outside the building until after the exam, we will practice test outside the building.

No supplies will be provided at these classes; however, Supply Order Forms will be available.

If you have any questions, please call Sherrie Davis at 405-522-6139.
