4. General nature of complaint: In your own words, explain the general nature of the complaint:

Include the following information where applicable; use a second page if necessary: 1. Directions for locating affected area/property (if other than above) with legal description and/or miles and directions from the nearest town (known point of reference); 2. Kind and number of items allegedly affected; 3. Approximate date of alleged violation; 4. In case of pesticide complaint (a) name and address for whom the pesticide was applied (if known) and (b) direction and distance to your property; 5. Draw a map if appropriate.

Nearest city/town to incident: _____ County: _____

- A. A statement of complaint is required in cases involving a product or service regulated by Consumer Protection Services, Oklahoma State Department of Agriculture, where the complainant feels a violation of the laws of the state of Oklahoma has occurred, e.g., mislabeled or contaminated product, not fulfilling a contract, pesticide misuse, pollution, substandard work, etc.
- B. Attach copies (not originals) of all correspondence, contracts, invoices, checks, etc., which pertain to this complaint.
- C. Upon completion of the investigation of a complaint by Consumer Protection Services, the conclusion will be forwarded to the concerned parties involved. Should civil action be initiated by either of the concerned parties, Oklahoma State Department of Agriculture personnel and/or records to the investigation will be made available by action of a subpoena.
- D. I, the undersigned, consent to allow the Oklahoma Department of Agriculture personnel access to property under my ownership or control for purposes of inspecting and sampling, if necessary, in the conduct of their official investigation. I further agree that after this complaint has been investigated, if a violation of the laws of the State of Oklahoma appears to have taken place, I will make myself available as a witness for any legal action or Oklahoma Board of Agriculture proceeding.
