Stolen Agriculture Report

County: Jefferson County

Investigative Services has received the following information regarding the theft of farm equipment in Jefferson County:

A John Deere 5205 tractor equipped with a front wheel assist, a front-end loader, a shade canopy and a 10' John Deere pull type brush hog attached to it.

Evidence shows that tractor and brush hog were driven through the pasture to the west of location of origin and then navigated toward Highway 70. It then left the pasture through a fence and down an embankment. From there it headed west on Highway 70 toward Waurika, Oklahoma.

Farm equipment was taken sometime July 8 – 9, 2014, overnight.
